

**Amendments to the Specification:**

Page 1, before the insert added in the Preliminary Amendment before line 4, the title "**FIELD OF THE INVENTION**", insert the following title and paragraph:

**--PRIORITY CLAIM**

**B1**  
This is a national stage of PCT application No. PCT/ FI00/00241, filed on March 23, 2000. Priority is claimed on that application, and on patent application No. 990684 filed in Finland on March 26, 1999.--.

In the Preliminary Amendment, a paragraph (beginning "Thus, while there have been") was added to the Specification on Page 4, after line 16. There is a typographical error in the Preliminary Amendment. This paragraph should instead be added on Page 7, after line 16.
